Dr. Harvey serves as one of JH Consulting, LLC's Managing Members. He actively markets clients in all facets of the firm's service areas. Throughout his career, Dr. Harvey has been involved in technical writing. For the past 15 years, he has worked primarily in the field of emergency preparedness. He has actively researched and maintained an understanding of rapidly-changing federal regulations in an effort to better assist localities in their emergency preparedness efforts.

Dr. Harvey was also instrumental in the design of the marketing program for a branch office of a large, multi-jurisdictional engineering firm. His responsibilities included client contacts, proposal preparation and interviewing.

Dr. Harvey is also extensively experienced in community development, having served as a project administrator for a regional community development agency. He worked on such projects as waterline extensions, dam rehabilitations, community and youth center upgrades, and small business development projects.

Several items have been present in all stages of Mr. Harvey's career, including public meeting facilitation, technical writing, client management, and project troubleshooting. All of this experience has given him a realistic understanding of successful project management and completion.
